## Centering Prayer

*"Be still and know that I am God"* Psalm 46:10

Centering Prayer is a method that paves the way for the reception of God's pure gift of Contemplative Prayer. It is rooted in the ancient practice of developing a personal relationship with Jesus by listening to His words in Scripture (Lectio Divina). It calls to mind Jesus' admonition in the Sermon on the Mount when He said:

*"...But when you pray, go to your inner room, close the door and pray to your Father in secret. And your Father, who sees in secret, will reward you."* Matthew 6:6

We meet every Wednesday after the 12 Noon Mass in the Convent House. No prerequisites are needed other than the desire for God's healing presence and action within us. Our gathering lasts about an hour. For more information, call Minny and Jake Lugay at 845-628-5378 or visit - [www.contemplativeoutreach.org](http://www.contemplativeoutreach.org)

## Natural Family Planning Awareness Week

July 19th - July 26th

Each year the USCCB dedicates a week July as National Natural Family Planning (NFP) Awareness Week. The dates of NFP Awareness Week (July 19th - July 26th) highlight the anniversary of the papal encyclical *Humanae Vitae*. The encyclical beautifully articulates respect for God's design for authentic love through the gift of human sexuality, conjugal love and responsible parenthood. The dates also mark the feasts of Saints Joachim and Anne (July 26), the parents of the Blessed Mother. Married Couples who use NFP report many benefits including: better communication between spouses, increased emotional maturity, deeper understanding of each other's bodies and growth and respect for God's gift of fertility. For NFP resources please visit

## Gospel Today

Sixteenth Sunday in Ordinary Time | Mark 6:30-34

The apostles were hungry and tired after preaching to so many. They went with Jesus by boat to a quiet place across the sea to rest. Many people ran ahead, getting there first, so Jesus began teaching the large crowd. By evening, everyone wanted to eat and needed to be fed.
